In the November YPN meeting the group discussed participation in local upcoming events to increase visibility and networking, such as: an exhibition booth at Home Shows, Local Fairs & Festivals, as well as events in which we invite members of the public.

We also discussed team building and creating strategic alliances. The idea is that there is knowledge to be gained by connecting with affiliated partners. To further this initiative, we have scheduled various members of the group to present information on steps in the home buying process. Members will present during the YPN meetings over the course of the upcoming months. Joe Lombardi and Evan Potter are scheduled to present in December.

Alan Stewart, our chairperson, has been invited to sit on the NHMR Board of Directors! Congratulations Alan! He has given us official notification that the BOD has approved \$500 towards our YPN. Alan has researched YPN pins and will provide an update at our next meeting.

The December YPN meeting has been set for Wednesday, December 9th at 10 am.
